ABOUT STRYDER

Stryder Cycle Pvt. Ltd. is a fully owned subsidiary of TATA International Limited (TIL). The journey started with a philanthropic mission of providing quality bicycles to the World Bicycle Relief (Africa) and later the company brought its products to the Indian domestic market under the marquee name Stryder. Formed on core values and ethical standards that are a part of the Tata Group heritage, we are committed to offering high-quality products and services to help improve the health and lifestyle of our society.

With innovation as it's core principle, Stryder offers a wide range of E-Bikes, MTB, Junior, Ladies and Roadster bicycles. Operational since 2012 in India, Stryder Cycles are available at more than 4000 retail outlets across the country. Apart from being one of the leading bicycle brands in India, Stryder also has export operations in SAARC, Africa and Middle Eastern countries and has more than 50 Lakh delighted customers across geographies.

WHY CHOOSE US

Parent Company:

Tata International Limited is a premier trading and distribution company with manufacturing capabilities in select businesses and a network of offices and subsidiaries spanning more than 29 countries across Africa, Europe, the Middle East, Latin America, and Asia. As a member of the reputed business conglomerate the Tata Group, we pride ourselves in upholding the highest ethical standards in the way we conduct our businesses. Supported by a 8000+ strong employee base, we are strongly driven by customer centricity, and have, over the years, formed strategic alliances and partnerships with market leaders that have reinforced our role as preferred partners in international trade and business.

Stryder has been bestowed with MOST PREFERRED BRANDS of India Award 2025 for being a successful brand of Indian origin and gaining traction not just in India but also globally.

Stryder is India's fastest growing bicycle brand and known for its innovative products covering the entire customer spectrum. It has carved a niche in the manufacture and marketing of bicycles in the Indian domestic and export market.

Our bicycles are durable and long lasting. What's more, they come with Lifetime Warranty so that you can enjoy cycling to the fullest.

Stryder is one of the fastest growing bicycle brand. In the last 10+ years, Stryder has made more than 50 Lakh customers smile with its vibrant and diverse range of bicycles.

We at Stryder, aim to serve our customers with high quality and world-class products. No wonder, our products are certified with an ISI mark of quality which makes them trustworthy and fit for purpose.

E-Bikes

India Rides Stryder for the Future

As India accelerates towards a smarter, greener tomorrow, Stryder's E-Bikes lead the way with power, precision, and purpose. Designed for the modern commuter and the conscious explorer, our electric bikes combine advanced technology with effortless style. Whether it's beating traffic or conquering terrains, Stryder E-Bikes are redefining the way India moves. With every ride, you're riding the change. Because when India Rides Stryder, it rides powered, poised, and future-ready.
